

## National Institute for Cellular Biotechnology

# BriClone

Hybridoma Cloning Additive

Material Safety Data Sheet

### Product & Company Identification

Product Name	BriClone
Form	Liquid
Use	Research only
Product Classification	Cell culture medium supplement. For research only
Company	National Institute for Cellular Biotechnology Dublin City University, Building G Collins Avenue Dublin 9 Republic of Ireland.

### Hazards Identification

Eye Contact	None under conditions of normal use
Skin Contact	None under conditions of normal use
Inhalation	None under conditions of normal use
Ingestion	None under conditions of normal use

### Composition

Composition	Dulbeccos Modified Eagle Medium (DMEM) Foetal Bovine Serum (FBS)
-------------	---

This product is not hazardous

### First Aid Measures

Eye Contact	Immediately rinse with ocular wash
Skin Contact	Wash skin with soapy water
Inhalation	Not expected to require first aid measures
Ingestion	Rinse mouth

### Firefighting measures

Extinguishing Media	This product is not flammable. All suitable extinguishing media can be used
---------------------	---

## Accidental Release Measures

Clean-up methods      Spill area may be slippery. Clean up any spills as soon as possible using an absorbent material.

## Handling & Storage

Handling      Use under aseptic conditions. Wash hands with warm soapy water before and after use.

Storage      Storage: Keep container tightly closed in a dry and well ventilated place.  
Recommended storage temperature: -20°C

## Exposure Controls/Personal Protection

Ingestion	Do not eat, drink or smoke
Eye Protection	Wear safety glasses
Hand Protection	Wear chemical-resistant gloves
Skin Protection	Wear protective clothing
Other Protection	Safety shower and ocular wash

## Physical & Chemical Properties

Physical state at +20°C	Liquid
Colour	Pink to orange
Clarity	Clear
pH	6.0 to 8.0
Odour	Characteristic

## Stability & Reactivity

Chemical stability	Stable under recommended storage conditions
Reactivity	No data available

## Toxicological Information

Toxicity	No data available
----------	-------------------

## Ecological Information

Ecological Effects	No data available
--------------------	-------------------

## Disposal Considerations

General	Autoclave prior to disposal
---------	-----------------------------

## Transport Information

UN number	None
General Information	Not classified

## Regulatory Information

No data available

## Other Information

Further information      This product has been produced using cells that have not been screened for Hepatitis B, Human immunodeficiency viruses or other agents. Handle as a potentially biohazardous material under at least Biosafety Level 1 containment.
